A LEGACY EMBRACED BY
THE TRANQUILITY OF NATURE

WHERE NATURE'S
UNTAMED OPULENCE AWAITS

Encompassed within a sprawling 10+ acres of unspoiled landscape, The Legacy was born from a visionary concept – to craft an oasis where life effortlessly detaches from the bustling city's chaos. As you enter the realm of The Legacy, a grand avenue adorned with the soothing beauty of Jacaranda trees and a calming lagoon unfolds before you, creating an aesthetically pleasing path that guides you gracefully towards the heart of this splendid project.

NATUREWALK

WHERE EVERYDAY ARRIVALS
BECOME GRAND ENTRANCES

With a discreet drop-off experience and a designated reception lobby, the residences are designed to exude exclusivity at every step.

WHERE YOUR PRIVACY TAKES CENTER STAGE

Each apartment features its own dedicated lift, offering residents exclusive access to their homes. These private elevators not only enhance convenience but also provide a sense of privilege that defines The Legacy.

LET BLISS BE YOUR MORNING GREETING

Every aspect has been thoughtfully designed to ensure that the world around you is experienced from every angle. Each signature residence offers high ceiling windows and unblocked views, providing ample natural daylight and the sweeping vistas.

VIEWS THAT IGNITE EVERY EMOTION

With large outdoor decks, you can immerse yourself in the limitless beauty of nature, observing the ever-changing hues of the sky and the soft rustle of the wind, all within the cozy confines of your home.

Landscape Architects

LANDSCAPE
ARCHITECT

DFI - Design Forum International (DFI), founded by three visionary architects in 1995, has evolved into a thriving architecture practice. Their expertise and visionary spirit have played a pivotal role in shaping the Legacy project, ensuring it embodies architectural excellence while harmonizing with the natural environment.

AEDAS - A global design powerhouse with 1,100 creative minds worldwide, shapes The Legacy's architectural brilliance with world-class solutions rooted in local contexts, pushing boundaries of architectural excellence.

Ms. Sanju Bose, the principal landscape architect, spearheads design, ensuring its alignment with project context and ecological harmony. Her visionary leadership shapes The Legacy's sustainable and aesthetically pleasing landscape, embracing innovative design and material richness.

Silverglades

The Address Makers

THE ADDRESS MAKERS

In the tapestry of real estate evolution, Silverglades unfurled its chapters, beginning in 1988 under the discerning gaze of Mr. Pradeep Jain. Amid this narrative, the ongoing project, The Legacy, emerges as the latest stroke on their canvas. The saga unfolds with a legacy of pioneering India's early lifestyle innovations, weaving a tale of luxury residences, thematic resorts and mixed-use marvels.

Over the span of 35+ years, Silverglades has orchestrated partnerships with global titans, sculpting iconic urban masterpieces across Delhi NCR. As the company marks its 35-year milestone, it remains the vanguard of boutique development, synonymous with luxury addresses and is revered for iconic landmarks.

Specializing in residential, commercial, township projects, and leisure developments, Silverglades crafts real estate narratives that transcend time. Their commitment resonates in each innovation – a fusion of creativity, timelessness, and unparalleled value for clients, encapsulating the essence of Silverglades' journey.
